

JEAN-GUY ROULEAU

TECH LEADER &
PROJECT MANAGER

WORK EXPERIENCE

Green Economy Canada

Digital Enablement & IT Manager

2021 - Present (*Permanent full time*)

Leading digital system development to enhance organizational efficiency. Key responsibilities include creating and maintaining digital tools, fostering collaboration, and supporting the network of members. Driving innovation through creation and implementation of digital strategy, to make the best use of available technology solutions.

Weeve (*formerly Louelec*)

BizDev & Operations Consultant

2021 - 2021 (*Independent Contractor*)

Business development and operational support for an EV rental start-up. Generating leads, closing deals, and managing customer operations (vehicle deliveries, pickups, contracts, etc.) with corporate clients, taxi operators, and gig drivers (especially Uber).

Career Break - Full-time parenting

2020 - 2021

Took 6 months of parental leave following the birth of my daughter.

Digital Moment (*formerly Kids Code Jeunesse*)

Delivery Manager

2019 - 2020 (*Maternity Leave Replacement*)

Leading team of Educators to deliver workshops across Canada. Grew team from 15 to 30 in 1 year, including 3 regional team leads.

Legal Suite NA

Senior Project Manager

2019 - 2019 (*Permanent full time*)

Reporting to the VP IT & Ops. Responsible for leading the largest projects in NA, and directly supported VP in managing PM, Ops, and Dev teams.

Career Break - Full-time parenting

2018 - 2019

Took 6 months of parental leave following the birth of my son.
